

Tallahassee ATC Tower / Pilot Forum 'Operation Raincheck' / Runway Safety Action Team (RSAT)

The seminar will feature FAA ATC staff who will discuss local ATC procedures, ATC operations & aviation safety topics. The ATC staff will also answer questions from the group & have suggestions on how to best communicate with ATC controllers. There will also be discussions concerning MOA & SUA airspace operations & how to best to obtain flight following.

Directions: FL Aviation Center's classroom is located across from the Flightline maintenance facility. Parking is available in front of the classroom; look for the FL Aviation Center's sign on Hanger A. If you plan to fly to the seminar, parking is available on the South Ramp behind Hanger A; FL Aviation Center. Ask ATC for progressive taxi to the South Ramp via Taxiway B8. Self fueling is available on the East section of the South ramp. Call Faith Drewry (850) 778-FLY1 or Ron Fisher (850) 556-1294 after your arrival for building access.
